Yearbook Message 1972

Congratulations to the senior class of 1972 upon your graduation. Four years have passed swiftly and another chapter in your life is closed. It is our hope that your years in high school have been both happy and educationally profitable.

No one can predict what the future has in store for you. However, you can help to determine the path your future will take by continuing to educate yourself according to your needs and abilities. Never lose the determination to follow through on plans to make yourself a better educated person.

You will gain much personal satisfaction and will insure for yourself a more productive life. The future is yours; use it wisely for soon it will be the unchangeable past.

"As another school year wanes, may I reflect on my pleasant associations with Hirsch staff, students, and parents and exhort everyone to promote your splendid tradition of excellence through a vigorous pursuit of knowledge now and in the future. Only then will peace and understanding reign supreme!"

"We say farewell to the graduating students of 1972 with mixed emotions. We feel a sense of loss with their departure and a sense of pride in their achievements. May they continue to bring honor to themselves and to Hirsch, whether they continue their education or seek gainful employment.

May they remember that 'today is the tomorrow you talked about yesterday. . .Will it meet your expectations!"

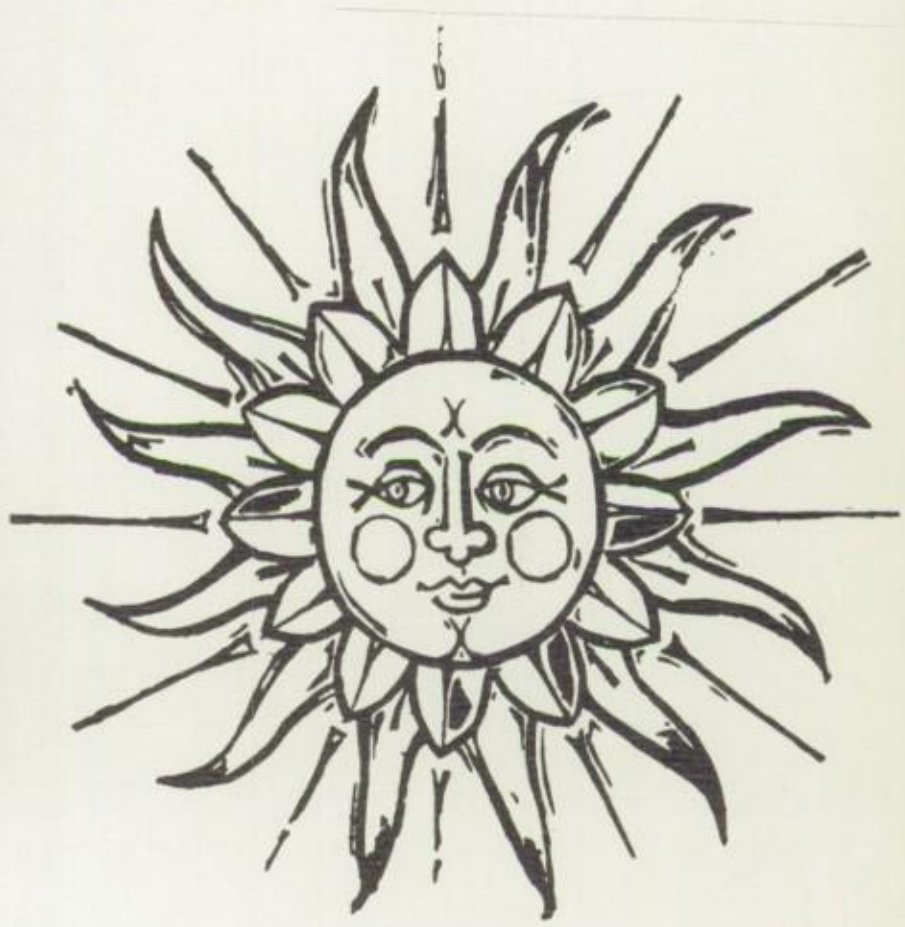
Memories . . .

My mind is full of memories
My eyes are filled with tears
As I recall my years at Hirsch
The fun with all my peers.
I'll miss the ones I leave behind
Who'll never, ever know
The gratitude I feel for them
Because they've helped me so.
Mayo, Patch, Mathis, and Tolbert,
And others besides these
I promise you that I'll go far,
I'll make you proud of me!

Terri Smith



Dream Variations . .

To fling my arms wide
In some place of the sun,
To whirl and dance
Till the white day is done.
Then rest at cool evening
Beneath a tall tree
While night comes on gently,
Dark like me -
That is my dream!

To fling my arms wide
In the face of the sun,
Dance! Whirl! Whirl!
Till the quick day is done.
Rest at pale evening. . .
A tall, slim tree . . .
Night coming tenderly
Black like me.

Broadway -
Watch Out!

The Stagecrafters, Hirsch's dynamite drama club, presented Langston Hughes' SIMPLY HEAVENLY at Western Illinois University in MacComb, Illinois. The twenty-two Thespians were the guests of the Black Students Association at Western, and their performance climaxed the annual Black Festivities Week.

Continental Trailways transportation was provided by Western Illlinois University. The students were housed in the university dormitories and they were honored at a reception at the Gwendolyn Brooks Center for Cultural Affairs.

Both performances (afternoon and evening) played to SRO audiences and the Hirsch Stagecrafters received standing ovations.

Mrs. Merriel Tolbert, sponsor/director for the group, explains, "We chose SIMPLY HEAVENLY because it is a delightful comedy that takes place in Harlem shortly before Blacks realized black is beautiful. It depicts the sould of blackness free of Anglo-Saxon indoctrination. It offends no one. The audience is coerced into a gamut of emotions through Hughes' sensitivity of his people."

As a result of this excursion, five Hirsch students will be in attendance at Western in September, and Mr. Rudolph Womack, supervisor of Chicago student teachers, has expressed a desire to make this an annual affair.

SIMPLY HEAVENLY's cast-Garnie Head, Sharon Thompson, Mitchell Smith, Parthenia Reddick, Terri Smith, Gregory Hardaway, Gary Gingery, Rita Carthans, Dana Morrison, Andre Hicks, Dave Robertson, Donald Gilliam, George Montgomery, Sue Harrison, Sharon Harrison, Reginald Brownlee, Anthony Dorn.

Drama Club Officers - President, Lynda Smith; Vice-president, Reginald Brownlee; Secretary, Frances Bowman; Treasurer, Gregory Hardaway.

If We Must Die

If we must die, let it not be like hogs
Hunted and penned in an inglorious spot,
While round us bark the mad and hungry dogs,
Making their mock at our accursed lot.
If we must die, O let us nobly die,
So that our precious blood may not be shed
In vain; then even the monsters we defy
Shall be constrained to honor us though dead!
O kinsmen! we must meet the common foe!
Though far outnumbered let us show us brave,
And for their thousand blows deal one deathblow!
What though before us lies the open grave?
Like men we'll face the murderous, cowardly pack,
Pressed to the wall, dying, but fighting back!
